

2017 Dane County Fair Shavings/Bedding Sale

The Paoli 4-H Fireballs are again coordinating the 2017 bedding sale at the Dane County Fair. Pre-ordered bedding will be delivered to the Fair grounds for convenient pickup prior to and during fair. A limited quantity is available for cash/carry.

Two types of products are available—

Marth Traditional Shavings: flaky with minimal fines, 3 cubic ft. per bag

Marth Easy Pick Bedding: finer material easier to remove solid waste from, 2 cubic ft. per bag

Each bag is \$6.50 per bag, same as last year. Please send your orders no later than July 1st.

The Paoli 4-H Fireballs have shared the proceeds of previous bedding sales with a nonprofit organization. The 4-H pledge says in part ‘our hands for larger service for my club, my community, my country and my world’ and we embrace that challenge. A portion of the proceeds from this year’s sale will also be shared with a nonprofit organization. Thank you for your support.
